

# Shipping & Digital Delivery Policy

**Company Name:** EEB Engineering Design and Consultancy Services

Since we provide **IT-enabled and engineering consultancy services**, physical shipping does not apply.

## 1. Mode of Delivery

- Final deliverables (CAD files, BIM models, technical reports, drawings, etc.) are delivered digitally via email, secure cloud link, or client dashboard.

## 2. Delivery Timeline

- Each project will have an agreed timeline, detailed in the proposal or contract.
- Delays caused by client feedback, scope changes, or third-party dependencies are not the responsibility of EEB Engineering Design and Consultancy Services .

## 3. Verification and Confirmation

- Clients must confirm delivery within **3 business days**.
- Post-delivery support is available for **14 days**, unless otherwise agreed.

## 4. Express Delivery

- Express turnaround may be available upon request for an additional fee.
